DECLARATION OF TERA A. LUTZ

I, Tera A. Lutz, declare as follows:

1. I am an attorney duly admitted to practice in all of the courts of the State of California and I am an associate with Lewis Brisbois Bisgaard & Smith LLP, attorneys of record for Defendant SANG LEE herein. The facts set forth herein are of my own personal knowledge, and if sworn I could and would competently testify thereto.

2. On August 18, 2017, Lee's phone was retained by a forensic analyst for imaging in order to preserve evidence on his cell phone. This was completed despite the fact plaintiffs never served Lee or his counsel with a preservation demand letter.

3. On December 12, 2016, Defendant Lee produced a redacted copy of an extraction report generated as a result of imaging Defendant Lee's cell phone. Attached hereto as Exhibit "A" is a true and correct copy of select excerpts of the extraction report produced in Defendant Sang Lee's Responses to Plaintiff's Request for Production of Documents, Set One.

4. The extraction report includes an extensive amount of information obtained from Sang Lee's cell phone, including but not limited to, text messages, images, installed applications, location history, user dictionary, and web bookmarks. Attached hereto as Exhibit "B" is a true and correct copy of select excerpts of the extraction report, produced in its entirety, as ordered by Judge Oliver on July 19, 2017.

5. While the date, time, and receipt information for text messages on Sang Lee's phone could be obtained, the body of a majority of Lee's text messages could not be recovered. In fact, a majority of the unrecoverable text messages were between Lee and individuals unrelated to this suit.

6. Attached hereto as Exhibit "C" is a true and correct copy of select excerpts from Sang Lee's deposition taken on May 31, 2017.

7. On September 5, 2017, Magistrate Judge Rozella A. Oliver ordered Lee to seek out further methods of recovery to determine whether the body text messages between Lee and his co-Defendants could be obtained.

8. Even though plaintiffs had knowledge of the existence of 17 text messages between Lee and his co-defendants, they never asked Lee a single question about their content during his nearly eight hour deposition.

9. Not a single defendant or witness in this case has testified they received or sent text messages to Sang Lee regarding the alleged incidents.

10. However, not a single co-Defendant was questioned in their deposition about the text messages from Sang Lee's Extraction Report. And plaintiffs never served discovery to any of the other co-Defendants regarding the text messages identified in Sang Lee's Extraction Report.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct and that this declaration was executed on October 5, 2017, at Los Angeles, California.

1	with your attorney about because that's between you	09:13:35
2	and your attorney --	09:13:41
3	A. Yeah.	09:13:43
4	Q. -- but did you review any documents?	09:13:45
5	A. No.	09:13:45
6	Q. Okay. And when you say that you met with	09:13:46
7	your attorney yesterday, who did you meet with?	09:13:50
8	A. With Dan, Ed, and Terra, but she's not here.	09:13:52
9	Q. And have you ever spoken with any of the	09:14:00
10	other Defendants about this lawsuit?	09:14:04
11	A. No.	09:14:07
12	Q. And have you ever spoken to anyone who surfs	09:14:09
13	in Palos Verdes Estates about the lawsuit?	09:14:17
14	A. No.	09:14:20
15	Q. Let me broaden that out a little bit.	09:14:20
16	Have you ever communicated with any of the	09:14:23
17	Defendants about this lawsuit?	09:14:25
18	A. What do you mean like communicated. I never	09:14:27
19	talked about the lawsuit, yeah.	09:14:31
20	Q. Did you ever communicate in writing in an	09:14:33
21	E-Mail, in a letter, in a text?	09:14:39
22	A. No.	09:14:42
23	Q. Okay.	09:14:43
24	A. I mean, people come up and say how you doing.	09:14:46
25	And I say, uh-huh, but that's it, but I don't talk	09:14:50

2	Q. That's fine.	09:20:24
3	When did you retain your lawyer?	09:20:26
4	A. I don't even know. It was probably within a	09:20:26
5	month after I got served.	09:20:30
6	Q. So, and is that then, within a month of when	09:20:37
7	you got served, when you came to the understanding	09:20:42
8	that you had an obligation to preserve evidence	09:20:46
9	related to this matter?	09:20:50
10	A. What was it?	09:20:51
11	Q. Was it within a month of when you got served	09:20:53
12	that you first came to an understanding that you	09:20:55
13	needed to preserve evidence related to this matter?	09:20:58
14	A. I don't know if it was a month. It was just	09:21:01
15	after when I met with my lawyers they told me so.	09:21:04
16	Q. Again, I'm not interested in communications	09:21:09
17	between you and your lawyer.	09:21:11
18	A. But I don't know the time exactly, so, that's	09:21:13
19	why I'm telling you.	09:21:16
20	Q. Okay. After you became aware that you had an	09:21:17
21	obligation to preserve evidence related to this case,	09:21:24
22	did you take any steps to preserve evidence?	09:21:26
23	A. Did I take any steps?	09:21:30
24	Q. Yes. Did you do anything to make sure that	09:21:34
25	any evidence that you had wasn't lost or destroyed?	09:21:36

1 A. I just didn't erase it. It's all there, so. 09:21:44
2 Q. When you say it's all there, where do you 09:21:48
3 mean? 09:21:52
4 A. It's in my E-Mail and my phones. I never 09:21:56
5 tried to, you know. 09:21:59
6 Q. Okay. And so do you have the same phone that 09:21:57
7 you had when you first got served? 09:22:02
8 A. Yes. 09:22:05
9 Q. Did you ever do anything to download or image 09:22:06
10 the E-Mails that had on your phone related to this 09:22:24
11 case? 09:22:27
12 MR. CROWLEY: Objection, that it's vague and 09:22:27
13 ambiguous. You can answer to the extent that you 09:22:30
14 know. 09:22:31
15 THE WITNESS: Well, no, I don't believe so, 09:22:31
16 no. 09:22:33
17 BY MS. POOLEY: 09:22:33
18 Q. You did not? 09:22:34
19 A. Download any E-Mails? 09:22:34
20 Q. Did you do anything to download or image any 09:22:37
21 E-Mails or other information on your phone that might 09:22:44
22 be related to this case? 09:22:47
23 MR. CROWLEY: Are you asking did he 09:22:48
24 personally because that's the issue that I think is 09:22:50
25 vague and ambiguous about the question. 09:22:52
